Will China expand the Belt & Road Initiative in 2025?

Chinese finance and investments into the Belt and Road Initiative countries in 2025 H1 have accelerated significantly. For 2025, a further expansion of BRI investments and construction contracts seems possible despite (or because of) global economic headwinds driven by US-led trade impositions.

How much is China engaged in the Belt & Road Initiative?

Preliminary data on Chinese engagement through financial investments and contractual cooperation for 2024 in the 149 countries of the Belt and Road Initiative¹ show about 340 deals worth USD 121.8 billion. This compares to USD 92.3 billion BRI engagement in all of 2023--an increase of 31% (see Figure 1).

What is China's Belt & Road Initiative?

China's Belt and Road Initiative (BRI) represents a comprehensive approach to funding infrastructure development worldwide. If successful, China's economic ambitions could significantly broaden export and investment markets while enhancing the nation's global influence.

Why is the Belt & Road Initiative important?

“Looking ahead, the BRI will make greater contribution to building a global community of shared future and establishing a more just and reasonable international order,” the director noted. This year is deemed pivotal for high-quality development of China-proposed Belt and Road Initiative (BRI), which has just celebrated its 11th anniversary.
