Who is EPC energy?

As the industry leader in renewable energy, EPC Energy is innovative to provide reliable turnkey energy storage solutions. EPC Energy is a diversified energy storage contractor and provides complete engineering, procurement, and construction (EPC) services from commercial and industrial to utility-scale storage projects.

What can EPC energy do for You?

We can build out both or add energy storage to existing PV projects. EPC Energy also provides integrated energy storage solutions for microgrid projects that tap into the power of storage, PV, and wind generation asset. We make energy efficiently.

What services does EPC energy offer?

With over 650 MWh installed and commissioned, our experienced team can provide in-house design and engineering services, along with end-to-end support including commissioning, operations & maintenance, plus extended warranties. We make energy efficiently. Copyright © 2024. EPC Energy, Inc. CSLB #1086692.

Think of EPC as the "Swiss Army knife" of energy systems: it handles design, sourcing, and construction, ensuring your battery farm doesn't end up as a pricey paperweight. ...

Ever wondered how renewable energy projects avoid becoming "sunny day friends" or "windy season flings"? Enter power storage EPC companies - the unsung heroes ensuring ...

Designed for C& I project developers, EPC contractors, installers, and renewable energy integrators, the Wenergy ESS cabinet offers flexible capacity configuration and supports both ...

EPC Energy serves the utility and developer market with multi-MWh solutions featuring 40' container or

skid-based designs. These scalable designs feature integrated LFP battery racks, ...

Streamline the development of your utility-grade solar and energy storage systems with the CAB1000. This scalable solution offers modular 1.5 MW blocks that seamlessly integrate to ...

As the sector matures, selecting the right vendor becomes critical for utilities, OEMs, and integrators aiming to optimize their energy storage deployments. With a variety of ...

EPC Energy serves the utility and developer market with multi-MWh solutions featuring 40' container or skid-based designs. These scalable designs feature integrated LFP battery racks, ...
