-----  
Where are data center custom server cabinets made?

AMCO Enclosures offers data center custom server cabinets,cases,cages,cable management,and PowerWhips products. All our custom data center network racks and server racks are manufactured right here in the USA at our facility in Des Plaines,IL. This includes data center custom server cabinets,cases,cages,cable management,and PowerWhips products.

What size server & network cabinets are available?

With the most extensive array of sizes ranging from 42-52RU,heights of 600mm to 800mm (23.62" to 31.5"),and depths of 36" to 54",providing server and network cabinets that meet any specific requirements.

What are UL-rated cabinets?

Our cabinets are UL-rated,meaning they meet the safety standards set by Underwriters Laboratories. They are also deployable,seismic,and come with features like recessed PDU cavities,and are configurable with or without doors,sides,and tops.
